Dec. 19, 2018

Delay on: MS 91	Integration of parallel algorithm scheduling mechanism in Gaudi, Marlin and PandoraPFA frameworks
Delivery Date in Annex 1:	M44
Expected Delivery Date:	M58

The Milestone 91 "Integration of parallel algorithm scheduling mechanism in Gaudi, Marlin and PandoraPFA frameworks" had been created to demonstrate the applicability of the scheduling algorithm developed in D3.5 "Parallel versions of event processing frameworks".

This deliverable has been delayed to M56 and we therefore need to shift milestone 91 to M58 accordingly.
